Reading habit will always lead people not to satisfied reading a book, ten book, hundreds books, and more. One that will make them feel satisfied is finishing reading this book and getting the message of the books, then finding the other next book to read. It continues more and more. The time to finish reading a book will be always various depending on spar time to spend; one example is this iutam symposium on nonlinear stochastic dynamics proceedings of the iutam symposium held in monticel
